IBM brand paper media for all your transaction needs.

Nashua has that Final Puzzle Piece to Complete Your
IBM® P.O.S. and Custom Kiosk Solutions

Were You Ever *This Close* to Finishing a Jigsaw Puzzle and Discovered you were Short a Piece?

**Incredibly Frustrating,
Wasn't It?**

That's how it is when you're trying to build your point-of-sale or custom kiosk solution **without** IBM® brand paper media.

Nashua's complete line of IBM brand point-of-sale and custom kiosk paper media supplies for transaction printers **IS** your missing puzzle piece.

 IBM has played a primary role in making the cash register and kiosk a fully integrated part of retailers' information systems. As a result, retailers all over the world use IBM point-of-sale solutions. IBM's complete understanding of the retailer's needs, innovative applications software, attention to every detail and an unparalleled level of quality all come together to make IBM branded paper media supplies the best choice to complete "The Total IBM Solution."

 IBM's Retail Store Solutions division goes through an extensive quality assurance process to approve and certify specific thermal paper grades for use in all of their popular SureMark 4610 thermal printers. Nashua converts the IBM Brand paper media from these approved paper grades and manufactures the product to exact specifications under license from IBM. This process ensures that you will have nothing but the best, when it comes to your IBM printer paper needs. You have our unconditional guarantee on that!

Nashua has Your Final Piece to The Puzzle... IBM® Brand Paper Media.

Take that final step to a complete P.O.S. and Custom Kiosk Solution. When you're ready to put that final piece of the puzzle in place with high-quality paper rolls, look no further than Nashua – "Your Source For IBM Brand P.O.S. and Custom Kiosk Solutions."

Nashua's product offering includes bond, thermal, carbonless and ink jet paper media for a wide range of transaction printers. We are experts in printer media for cash registers, adding machines, ATM's, bank teller printers, check processing and kiosk printer applications. In addition, our printed receipts and security solutions promote your brand and help prevent receipt fraud.

The 5-Point Nashua Advantage:

1. Simplify your purchasing with our extensive selection of high-quality inkjet, bond, thermal and carbonless papers for the full range of transaction printers.
2. Save time and energy with our dedicated field sales, service and technical support staff, plus unparalleled 24/7 on-line account status and ordering.
3. Prevent receipt fraud and inventory shrinkage with our unique products (Nashua has an in-house print media R&D department constantly innovating for you!)
4. Save money with Nashua's competitive pricing on top quality papers. Our enormous purchasing power helps your bottom line!
5. Meet deadlines faster on even the largest jobs thanks to our state-of-the-art converting and printing facilities in a wide range of convenient U.S. locations.

Since 1919, Nashua has been the nation's leading paper converter with the financial strength to provide all of the transaction supplies you need under one roof.
